JNTUH Used Papers

1. Is there anything common between Hertzberg's two factor motivational theory and Maslow's hierarchical need theory? If so, point it out, after explaining briefly the two theories of motivation. [15]

2. What is 'corporate social responsibility'? Give any good example of CSR initiative. [15]

3. What are the documents used in store for receipt and issue of materials? What are the systems of accounting of materials in store? [15]

4. A group of 10 workers working 8 hours per day (one shift) on a group of engine lathes produced 384 pieces of acceptable quality. During the study, it was observed that workmen were idle for 20 percent of the total available time and 80 percent of the time they worked at an average performance of 75%. Calculate the standard time for the job assuming
   a) the operation to be completely manual.
   b) the workmen are entitled for 20% rest & relaxation allowance for this work. [8+7]

5.a) What are the advantages of job evaluation?
   b) What is the scope of performance management system? [8+7]

6. Explain the following two methods of merit rating:
   a) Paired comparison b) forced distribution method. [8+7]

7. Draw the network diagram for a project consisting of 12 tasks (A,B,…,L) in which the following precedence relationship must hold(X<Y means X must be completed before Y can start);
   A<C; A<B; B<D; B<G: B<K; C<D; C<G; D<E; E<F; F<H; F<I; F<L; G<I; G<L; H<J: I<J; K<L.
   Given the following task times (in days) for the above project, locate the critical path:

task	A	B	C	D	E	F	G	H	I	J	K	L
time	30	7	10	14	10	7	21	7	12	15	30	15

   Also find the free and total floats for the non-critical activities. [15]

8.a) Why do organizations need strategy?
   b) What are the steps in strategy implementation? [8+7]
